Lyoner Straße 9
60528 Frankfurt am Main

Fax: +49 (0) 69/6302-361

Application and manufacturer's declaration

for permission for nationwide use of the logo in Germany: **DVB-T2 HD**

Herewith, we apply for permission for nationwide use of the logo:

DVB-T2 HD

for all equipment listed in the attached manufacturer's declaration (see page 2).

Applicant (manufacturer or distributor)

Contact:

Company: _____

Name: _____

Department: _____

Tel: _____

Address: _____

Fax: _____

Postal code/

eMail: _____

Town or city: _____

Note:

The logo depicted here on the right, "DVB-T2 HD" is a registered trademark, and may only be used after prior permission by Deutsche TV-Plattform.

Permission is granted only for specific units stipulated precisely in this application. Suppliers of several models must obtain separate permission for each.

A handling fee is payable for permission and use of the logo to Deutsche TV-Plattform (DTVP). The handling fee amounts to € 800 for members of DTVP for the first model/platform and € 500 for each additional one. For non-members of DTVP the handling fee amounts to € 1,200 for the first model/platform and € 800 for each additional one (plus value added tax)

Permission includes the following uses of the logo in connection with the registered DVB-T2 HD device unit:

- Application of the logo to the unit as well as to the sales packaging
- Use in leaflets, booklets, catalogues and similar advertising material
- Use at events such as trade fairs or information days
- Use in electronic form in business letters, press information or also on the web

[] in full.

[] with the following restrictions for the following reasons:

(Please list the deviations in full, giving brief reasons, using an additional sheet if necessary.)

1. _____

Reason: _____

2. _____

Reason: _____

3. _____

Reason: _____

Explanatory Note

The „Minimum Requirements for DVB-T2 Devices in Germany“ are the base for using the Logo DVB-T2 HD on reception devices. Restrictions / exceptions to the conditions set out in Minimum Requirements have to be mentioned and explained in the application. It is at the discretion of the German TV Platform to grant the right to use the Logo in case of restrictions. In case of significant restrictions, especially regarding any („shall“) requirement of the Minimum Requirements, a right to use the Logo cannot be granted. Derogation being granted for devices without CI-Plus Interface according to number 7 of Minimum Requirements provided such devices carry an embedded Conditional Access System according to specification of Media Broadcast and are licensed by the latter.
